

HIGH-BUILT COMMERCIAL TRAILER

THOR HBA

THOR – high-built commercial trailer

Does thunder and noise accompany every trip with your commercial trailer? Then it's time to replace it with a THOR from Viking Trailers.

Though named after the thunder God, THOR won't draw attention due to noise; instead, its overwhelming strength and rugged appearance will capture all the admiration.

Just as the God Thor was said to protect against chaos creatures like the Midgard Serpent, the THOR commercial trailer will make all your tasks more manageable – whether carrying goods on pallets, large machinery, or construction waste.
